Coaches and Parents:

Thanks for coming to Warner Park this weekend for the Tennessee ASA March Madness, the second ASA tourney for the 2010 softball season. Attached are tournament rules for Tennessee ASA District 10 Tournaments. Also, below are directions to Warner Park and hotel information for downtown hotels and other accommodations within 15 to 20 minutes of Warner Park. We are very proud of Warner Park and the surrounding facilities and hope you enjoy your weekend.

If you have younger children, the Warner Park Zoo is located next to the softball complex. There is also a carousel ride in the park. Just 1 mile away along the Tennessee River in downtown Chattanooga is the Tennessee Aquarium, an IMAX Theatre, a brand new movie theatre, plenty of restaurants and a beautiful riverfront park known as Coolidge Park. There is also plenty of shopping on Chattanooga's Northshore or at Hamilton Place Mall. Just 3 miles south of Warner Park is Lookout Mountain.

Please forward this to your parents and ask them to keep in mind that Warner Park is a downtown park. Do not leave valuables such as computers, ipods, purses, etc. in your car while at the games. There is a park security officer at the park but there are numerous parking lots.

Parking: The largest amount of parking is on the 3rd Street side of Warner Park and there is also a new parking lot behind the right field fence of Frost Stadium and beside Frost Stadium on the McCallie Avenue side of Warner Park.
